Hi Ricky,

The photos of white aluminium frames you sent Tom were not for our house.

On the photos of the black aluminium frames, the layer marked thermal broken is a strip of aluminium but not the thermal broken layer.

Please have a further investigation.

Thanks.

Harry

Hi Ricky

I can see the thermal break in both those photos so no need to go to site.

Cheers Tom

Hi Ricky

I have just checked our paperwork here and all items are thermally broken as requested.

The client didn't want Argon Gas to the Double Glazed Units so this was not provided.
