Hi Ricky,

Hagley will not budge from their offer of \$1,000 and do nothing. Or, they will replace the sliding doors with the required stiles, but will not guarantee them.

What is your choice?

Cheers

Hi Dee

Good morning

Do you have any news of what had been final decision by Hagley ? Is it the \$1000 they offer and do nothing

Or replaced the sliding with the stile but no warranty plus a \$1000

Please let me know

Thanks

Ricky

Hi Dee

How are you?

We need to know what happened to our dispute with Hagley ?

What Hagley offer to Harry ?

Replacing all sliding door with stile and give warranty ?

And reimbursement for their mistake as they never explained in first place the difference between thermal broken that we order is actually not thermal broken is thermal hearts

Kindly follow up this as soon as possible as it's had taken too long now and Hagley is not taking any responsibility at all.

Hope to hear from you soon.

Thank you

Regards
